Mr. Harding said: "Of course, as long as present conditions continue, the demand from Germany, Austria-Hungary, Belgium and France will be greatly curtailed, but there should be a good demand from Great Britain, Spain, Italy and from Russia, which can obtain its supplies independently of routings through the Baltic sea."

These funds would be utilized for a banking business.

**Hudspeth Defends Bill.**  
Senator Hudspeth occupied the floor of the senate for almost two hours during which he explained the basic principles of the measure. He also charged that the opponents of the bill were attempting to force a vote on the Wiley motion because they believed they had a majority.

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANSBORG, Route No. 1, Florence, South Dakota.
